

MANIFESTING
with the
DEVAS

Creation Process

Lynne D Chown

Manifesting with the Devas Creation Process

Get into alignment and stabilize yourself

- Bring your attention to your heart and match with the pulse of the Universe
- Connect Golden Grid of Manifestation
- Recognize yourself as your Soul Self in unity with everyone and everything
- Call all of your awareness back to you and inside your body
- Ground yourself to the Earth and send a cord down to the center of the Earth to wrap around big ball of light

Clear or neutralize the energy in your energetic field

- Use a big vortex of energy connected to the ball of light at the center of the Earth
- Spin it counter clockwise to whisk away any lower level emotions and thoughts
- Send that lower level energy down into the ball of light to be transmuted or neutralized
- Call your neutralized energy back to you and send it to your Soul Star Chakra
- Charge your energy with a high frequency emotional quality
- Fill up your body and energetic field with your newly charged reclaimed energy

Raise your vibration

- Clear and charge up your 7 main chakras by flowing energy from the Earth's etheric field, through your Earth Star Chakra, and up your spine
- Flow Divine Source energy through your Soul Star Chakra and down your body
- Unite with Divine Mother/Father in your heart space

Step into your Higher Heart

- Step into the sacred space of your heart and fully merge with your Higher Self
- Move into the tiny space of your heart and fully merge with the Divine
- Move back into the sacred space of the heart, taking this recognition with you

Establish and connect with your orb on the Golden Grid

- Locate your Divine desire or orb on the Golden Grid
- Create a heart-to-heart connection with your orb
- Allow the Universal pulse to align you and your orb
- Ground the orb to the Earth with a grounding cord
- Witness the 3D grid inside the orb

Inviting Devas of the Spiritual Plane

- Step into the portal and take the Golden Grid elevator to the Spiritual plane and match the frequency of the Spiritual plane
- Invite an Angel or Greater Deva to oversee the creation of your project

- Ask for a golden beam of light coming from Divine Source with the Spiritual qualities of your choice
- Flow this energy through your Soul Star chakra, your crown chakra, into your heart space, and through your whole body and spiritual field
- Send the energy to your orb, while sounding your note, with the intention of inviting the Devas with refined spiritual qualities to help you create your desired project
- Witness your orb and the Devic activity

Inviting Devas of the Mental Plane

- Drop your frequency slightly to the Mental Plane and match the frequency of the Mental Plane
- Focus on a mental concept that is congruent with the Spiritual qualities
- Using a golden beam of light from Divine Source with your mental concept, flow it through your Soul Star Chakra, your crown chakra into your mental body and heart
- Send the energy to your orb, while sounding your note, with the intention of inviting the Devas of the specific frequency that matches your mental instructions, to help you create your desired project
- Witness your orb and the Devic activity

Inviting Devas of the Emotional Plane

- Drop your frequency slightly to the Emotional Plane and match the frequency of the Emotional Plane
- Focus on high level emotional qualities that are congruent with the spiritual qualities and mental concept that you used
- Using a golden beam of light from Divine Source with the high level emotions of your choice, flow it through your Soul Star chakra, your crown chakra, into your heart space, through your emotional body
- Using your memories and past experiences, remember what those emotions feel like
- Send the emotions/feeling tones to your orb, while sounding your note, with the intention of inviting Devas of high level emotional qualities, matching your emotions/feeling tones, to help you create your desired project
- Witness your orb and the Devic activity

Inviting a Managing Deva to hold the blueprint for your creation

- Drop your frequency slightly to the Etheric Plane and match the frequency of the Physical-Etheric Plane
- Charge up your whole body and energetic field with all you have done and using the Golden Grid charge up your orb.
- Be in a place of responsibility for creating your project, now an entity
- Invite a Deva to manage the lesser devas and to see your creation to the end
- Sound your note three times

Direct Source energy and Earth energy to your orb

- Focus your attention on your heart-to-heart connection with your orb
- Create a channel from your Soul Star Chakra to the topmost center point of your orb.
- Direct a golden beam of light, flowing from Divine Source, through your Soul Star chakra, through this channel, to topmost center point of your orb, and into your orb
- Create a channel from your Earth Star Chakra to the bottommost center point of your orb.
- Direct a golden beam of light, flowing from the heart of the Earth, through your Earth Star Chakra, through this channel, to the bottommost center point of your orb, and into your orb
- See your orb as planted in the Universal soil or grid

Recalibrate

- Fully associate with the manifested reality and synthesize it into your whole body being. Sound out your note to the world 3 times with the intent to announce its birth
- Realize that your Devic crew are hard at work for you
- Realize that your creation is beaming its light out through your ring of influence and it is sounding its note
- Give thanks to all involved
- Turn your attention to other things and let them do their work

End the session

- Drop down the vortex and burn up any residual lower level energy in the ball of light in the center of the Earth
- Call your neutralized energy back to you and send it to your Soul Star Chakra
- Charge your energy with a high frequency emotional quality
- Fill up your body and energetic field with your newly charged reclaimed energy
- Flip on light switch to light up your boundary and illuminate body and being
- Put up your deflector mirrors
